

Exhibition Highlights

- Exhibition Name : Hannover Messe 2023
- Exhibition Date : 2023/4/17~2023/4/21
- Exhibition Location : Hannover Messe, Germany
- Exhibition Highlights : At Hannover Messe, our booth at Hall-6/G30 attracted approximately 31 groups of visitors, comprising of 9 groups of potential customers interested in our AS/RS solutions and the remaining groups consisting of general visitors. Our booth showcased promotional videos and 3D performance graphics, emphasizing our logistics integration capabilities for the entire project, and our commitment to building an automated and intelligent factory.
